JANUARY 2010

Oxford Handbooks in **Business & Management** bring together the world's leading scholars to discuss research and the latest thinking in a range of major topics in business and management. Containing specially commissioned essays with extensive referencing to further reading, the handbooks offer both thorough introductions to topics in the discipline, and a useful reference resource for scholars, advanced students, and practitioners.

- **Simple but powerful** search across every handbook takes the user straight to the right content
- **Cross-searchable** with the award-winning *Oxford Scholarship Online*
- **Dynamic bibliographies** and **editorially-selected links** to related resources support further research
