JANUARY 2010

Oxford Handbooks in **Political Science** bring together the world's leading scholars to discuss research and the latest thinking in a range of major topics in political science. Containing specially-commissioned essays with extensive referencing to further reading, the handbooks offer both thorough introductions to topics in the discipline, and a useful reference resource for scholars and advanced students.

www.oxfordhandbooks.com

- **Simple but powerful search** across every handbook takes the user straight to the right content
- **Cross-searchable** with the award-winning *Oxford Scholarship Online*
- **Dynamic bibliographies** and **editorially-selected links** to related resources support further research
